During the lockdown period I have not been able to run my usual drop in session across the area or any face to face SNAP meetings which has been disappointing. As it appears that Covid-19 and the restrictions on our lives appear to be staying in place for the time being we have decided to run online polls using the social media platforms of Twitter and Nextdoor, we are unable to use Facebook due to the way our account is set up. I also appreciate that this is not convenient for everyone but it is better than nothing and with a bit luck come the New Year we will start to see the face to face meetings return once more.

Please do take some time if you are on Twitter or Nextdoor to cast your vote but if the issue effecting our area is not covered this time round please email you local SNT 9(email above) with the issue you want looking at and it can then be added to the next poll. Remember the poll is your way of telling us what you want us to prioritise when we are policing your area.

WHAT'S HAPPENING IN YOUR AREA?

Throughout August and into September officers across the Downham Market Beat area have been extremely proactive during their tours.

Officers have been seizing uninsured vehicles and reporting the drivers for motoring offences. The rural team have been out and about conducting patrols for illegal hair coursers.

Our local Inspector and local Beat manager have also been proactive and dealt with a male in Downham Market for possession of cannabis whilst they were on foot patrol in the town.

Our Moonshot Team along with Team 1 from Downham Market arrested a person for drugs and weapon offences when they conducted a warrant.

Finally, our local Beat managers have been out on foot patrol in their patrol areas engaging with public and listening to your concerns.
