

Do you have a local project that requires funding?

Groups and organisations, looking to deliver infrastructure to benefit the residents and businesses within the Borough of King's Lynn and West Norfolk, are being invited to bid for CIL funding.

**Applications must be received by
5pm on Friday 30 April 2021.**

**You can apply for between £2,000 and £10,000
if you have a project which is linked to:**

- Community Facilities
- Open Space and Leisure
- Green Infrastructure
- Community Transport

CIL can be used:

- to fund all of a project or can be combined with funding available from other sources.
- to increase the capacity of existing infrastructure, or to repair failing infrastructure, if that is necessary to support development.

For further information, please contact your Parish Clerk.
